CLIENT REVIEWS

Trusted by Buyers *Worldwide*

Real feedback from verified international gold buyers who have completed transactions with EastBridge Gold Dealers.

“

Steven Kasumba and the EastBridge team were professional from the very first message. The gold was exactly as described — 22.8K, well above our minimum requirement. All Ministry export documents, assay certificates and customs clearance were handled without any issues. We

received our shipment in Dubai within the agreed timeline. We have since placed three repeat orders and signed a 6-month supply contract. I recommend EastBridge to any serious buyer looking for a reliable African gold supplier.
